## ***AUCTION BIDDING PROCEDURES***

2. All items in the Early Bird Silent Auction will have bid sheets displayed nearby.
3. All bid sheets will have a minimum starting bid listed, as well as the minimum bid incremental raise.
4. In order to place a bid, simply write your bid number in the space next to the amount available on the bid sheet or skip to a higher amount if you wish.
5. For Buy It Now items, simply enter your bid number in one of the spaces provided and the item is yours.
6. All bids entered will be considered valid. Please ensure that your children do not bid on items without your consent.
7. The Early Bird Silent Auction will close promptly at 4:00 pm on Thursday, May 22. Check your favorite items at various times during the silent auction to ensure that your bid is the highest.
8. The winning bid will be the highest bid on the bid sheet for that item at the close of the Early Bird Silent Auction.
9. Bids entered after the closing will be disallowed.
10. Emails will be sent out in the evening of May 22 to each winning bidder. Items may be paid for and picked up in the Gesher Development Office from 8:30 am to 4:00 pm on Friday, May 23.

## ***GENERAL AUCTION PROCEDURES***

1. Items listed in the catalog are subject to change.

3. All Early Bird auction items and certificates must be paid for by cash, check or credit card (Visa, MasterCard, or American Express) on Friday, May 23.
4. Values indicated for items being auctioned are estimates of their fair market value.
5. By his/her purchase, the buyer waives any claim for liability against Gesher Jewish Day School or the donor of the property or services.
6. Many auction items and services specify dates and times for their use or that arrangements are to be made at the mutual convenience of the donor and buyer. Even if the items do not indicate an expiration date, it is suggested that they be redeemed within one (1) year.
7. Keep certificates for purchased items in a safe place. If they are lost, it may not be possible for the Guardian of the Bridge Auction Committee to secure replacements.

## ***IMPORTANT TAX INFORMATION***

1. The charitable deduction for the purchase of an Early Bird Auction item is limited to the amount, if any, in excess of the fair market value of the item as published in the Early Bird Auction Catalogue.
2. Your receipt from the Early Bird Auction will include a good faith estimate of the fair market value of the items you purchased and the actual amount you paid for those items. In the absence of a value placed on an item by the donor, we have established a good faith estimate of the fair market value. Because we are not professional appraisers, we are not responsible for the accuracy of such valuation.
3. Winning bids may require a receipt to substantiate any deduction you may be entitled to claim. Please retain your receipt from the Early Bird Silent Auction for your tax records. This receipt is the only formal documentation you will receive.
4. Donors of Early Bird Auction items must retain a copy of their auction donation forms and/or acknowledgements in order to claim any applicable tax deductions.
